

SUNIL KAUL

Group President - Excellence in Manufacturing, Innovation and Technology
Head Business Group II

Mr. Sunil Kaul, Group President - Technology, Innovation & Automation, ANAND, is also a member of the ANAND Executive Committee, responsible for directing all policy matters at ANAND.

Mr. Kaul, is also responsible for overseeing operations for MAHLE Behr India Limited, MAHLE Filter Systems India Limited, Haldex India Limited, Anand CY Myutec Automotive Private Limited and Cy Myutec Automotive India Limited as a member of the ANAND Executive Committee. Additionally, he is the chairman of the boards of Haldex India Limited, Anand CY Myutec Automotive Private Limited and Cy Myutec Automotive India Limited and is a member on the Board of Takata India.

As Group President - Technology, Innovation and Automation, Mr. Kaul is responsible to direct and steer the technological prowess and innovation focus of the Group as a whole, ensuring ANAND is aligned and adequately equipped to face the challenges of the future.

An extremely able and dynamic leader, Mr. Sunil Kaul has been an integral member of ANAND for the last 27 years having held various positions of increasing responsibility through his tenure.

Mr. Kaul who holds a degree in Mechanical Engineering and a Certificate in Management Education Networking from the Stuttgart Institute of Management & Technology, joined ANAND in 1985 at Purolator India.

He subsequently moved to Mahle Behr India in 1996, right at the inception of the Joint Venture. Between 1999 and 2004, Mr. Kaul spent five years on deputation to Mahle Behr, Germany, where he spent the initial two years being actively involved in the Product and Process engineering of EGR technology. Subsequently, he spent the next three years heading production at Pforzheim, besides also being responsible for the transfer of the oldest line (condensers & evaporators) from Pforzheim to their plant in East Germany.

Mr Kaul returned to India in 2004 to rejoin Mahle Behr India, and was subsequently appointed Managing Director from 2009 till 2016, where he pioneered many challenging projects.
