

Management Bulletin

30th December 2016

Mr. Tribhuvan Rasyara Chief Operating Officer MAHLE Behr India

Mr. Tribhuvan Rasyara, who is currently the Chief Operating Officer (COO) of MAHLE Behr India Private Limited (MBIPL) has taken the responsibilities as the company head from Mr. Sunil Kaul, effective 15th December 2016. In this new capacity, Tribhuvan will report to Mr. Sunil Kaul, who is a member of the ANAND Executive Committee and also, responsible for Business Sub-Group II of ANAND, which includes MAHLE Behr India. He will continue to operate from the MAHLE Behr India headquarters in Chakan, Pune. With a rich and illustrious career spanning 31 years, Tribhuvan brings with him an extensive portfolio of experience from diverse industries and functions. He has been associated with MBIPL since 1997 and was part of the core team involved in the launch of the company. He was Head of Operations at MBIPL from 2006 to 2010. He was responsible for implementing the MAHLE Behr Production System at MBIPL, Chakan, which is rated the best in Asia Pacific within MAHLE Behr. From January 2011 to December 2012, Tribhuvan was part of ANAND Corporate headquarters as Vice President - infrastructure, environment, health and safety. In January 2013, he moved back to MBIPL and has been its COO, handling Plant Operations, Manufacturing Engineering, Design and Development areas. Tribhuvan is a graduate in Mechanical Engineering from Punjab Engineering College, Chandigarh. He has also completed the prestigious 'Oxford Advanced Management and Leadership Programme' and 'Oxford Strategic Leadership Programme' from the University of Oxford. He will continue to reside in Pune.
