

DISCLOSURE ON VIGIL MECHANISM

Section 177(9) of the Companies Act, 2013 read with Rule 7 of the Companies (Meetings of Board and its Powers) Rules, 2014 provides the requirement to establish Vigil Mechanism for Directors and Employees to report concerns about unethical behaviour, actual or suspected fraud or violation of the Company's Code of Conduct.

For this purpose, the Company has adopted the ANAND Code of Conduct ("the Code") & MAHLE Business Code ("MAHLE Code"), which lays down the principles and standards that govern the actions of the Company and its employees. Any actual or potential violation of the code, howsoever insignificant or perceived as such, is a matter of serious concern for the Company. The role of the employees in pointing out such violations of the Code cannot be undermined. There is a provision under the Code requiring employees to report violations, for which an Ethics Committee has been constituted and a 24 hour 'ANAND Group Ethics Helpline' has been provided to employees to report any unethical activity. 'ANAND Group Ethics Helpline' is operated by 'Integrity Matters', India's leading Whistle-blower Hotline / Ethics Helpline company dedicated to promoting ethics and good governance through technology solutions.
