# ENVIRONMENTAL, SOCIAL, AND GOVERNANCE (ESG)

**Governance** is deeply anchored in safety, integrity, quality, and inclusivity. It is also premised on the belief that ethics is not a goal but a lived practice. By continuously cultivating a culture of trust, excellence, learning, and equity, we ensure our governance practices are rooted in values yet dynamic enough to meet changing needs.

**Anjali Singh**  
Executive Chairperson,  
ANAND Group

**Sustainability** is fundamental to the way we do business across business segments, functions, and to activities related to CSR, philanthropy, or conservation. Whatever we do, we always keep an eye on the planet—from renewables to advanced technologies to cutting waste to planting trees and water harvesting.
