# HUMAN RESOURCES

## NURTURING AND GROOMING OF TALENT

### OE Model

- Pioneered the “Operating Engineer (OE)” model, enabling ANAND locations to remain union-free and managed by an educated, skilled workforce. Strengthened through partnerships with the Automotive Skills Development Council (ASDC) and BITS Pilani for industry-aligned training and certification.

### Building Future Talent Pipeline

- ANAND Talent Acquisition (ATA)  
A structured initiative to attract young talent from leading universities and develop them through planned rotations, learning interventions, and on-the-job exposure to build future-ready capabilities.

### Developing Leadership from Within

- Human Capital (HC) Programme  
Helps to identify top talent within ANAND Group at the junior/mid-management levels who have the potential to take on future management roles within. The program's objective is to develop a pipeline of talented individuals who can meet the organization's needs and sustain its growth.
- ANAND Leadership Development Programme (ALDP)  
A structured talent acceleration initiative designed to identify, assess and develop high potential employees across L1-L3 levels, preparing them for future leadership and critical roles within ANAND Group.

### Talent Management Programmes

- Coaching & mentoring programmes for senior leaders and ALDP participants
- Sponsored Higher Education & Training partnerships with premier institutes (IIMs, ISB, XLRI) for customised programmes

### World of Opportunities

- Overseas training at JV partner locations for ANAND employees
- Global education exposure for senior leadership at leading universities (Oxford, MIT, INSEAD)

### Career Mobility

- Cross-functional and cross-company career opportunities across ANAND Group Companies and JV partners

### Diversity and Inclusivity: Foundational to our culture

- Diverse workforce across 75+ locations in India
- Accommodation and support facilities to encourage women's participation

# HUMAN RESOURCES DEVELOPING RESOURCES THROUGH ANAND U

- ‘ANAND U’ is the ANAND Corporate University that meets the HR development needs of group companies
- ANAND U has been contributing towards people development since 1991
- ANAND U offers training support and guidance through three academies -
  - Leadership Academy
  - Operational Excellence Academy
  - Development Academy
- It is focused on four major areas of people development: Operational Excellence, Talent Development, Technical Interventions and Development of Operating Engineers
- Training modules
  - Classroom for face to face learning
  - E-learning
  - Engaging with internal and external faculty

“BUSINESS IS 90% PEOPLE”

MR. DEEP C. ANAND

# EXCELLENCE IN MANUFACTURING (EIM)

EIM drives & supports specialised excellence initiatives to develop world-class manufacturing standards and services across group companies

## Leadership & Technical Skilling

- Visionary Leaders for Future Manufacturing (VLFM) programme was started by CII in partnership with the Japan International Cooperation Agency (JICA).
- Under the VLFM Umbrella, Visionary Small and Medium Enterprises aims to build a win-win relationship with suppliers by enhancing their manufacturing performance in quality, cost, and delivery.
- Through VLFM, ANAND Senior Managers are given unique leadership perspectives
- Around 130 managers trained in VLFM since 2007.
- Dedicated teams of ANAND engineers have helped around 600 suppliers as a part of VSME since 2009.

## Future Ready

- Elevating skills in Industrie 4.0 (emerging technologies) via Artificial Intelligence (AI) & Machine Learning (ML) since 2021.
- 90 personnel trained and completed 43 projects in house.
- Management Operation System (MOS) – Enabling integrated, digital, paperless factories and management systems.
- In-house Generative AI model for ANAND House of Quality (AHQ) framework.

## Zero Defects

- ANAND House of Quality (AHQ) - Groupwide initiative to improve quality in multiple areas.
- Cost of Quality- Preventive & holistic approach to reduce or eliminate Cost of Quality
- Design for Six Sigma (DFSS) for Zero Defect Product Launches and Application of Six Sigma for Defect Elimination.
- Over 200 trained & certified belts

## Manufacturing Excellence

- Employee safety is vital for all Group companies
- ANAND Heijunka Production System (AHPS) transforms plants from traditional manufacturing to world-class practices, ensuring on-time delivery of quality products to customers while enhancing internal efficiencies.

# ENVIRONMENTAL, SOCIAL, AND GOVERNANCE (ESG)

Governance is deeply anchored in safety, integrity, quality, and inclusivity. It is also premised on the belief that ethics is not a goal but a lived practice. By continuously cultivating a culture of trust, excellence, learning, and equity, we ensure our governance practices are rooted in values yet dynamic enough to meet changing needs.

**Anjali Singh**  
Executive Chairperson,  
ANAND Group

Sustainability is fundamental to the way we do business across business segments, functions, and to activities related to CSR, philanthropy, or conservation. Whatever we do, we always keep an eye on the planet—from renewables to advanced technologies to cutting waste to planting trees and water harvesting.
